TO WHOM IT MAY CONCERN

This is to certify that M/S Siddique Sons has been a valuable partner in construction works of schools undertaken by them for reconstruction in earthquake affected areas.

They have quality human resource capable of delivering the projects on stipulated time. The vertically integrated business model of Siddique Sons makes them precious business partner for Us since they have their own workshop for steel fabrication and their field engineering staff is capable of providing service to erect both concrete & steel structures.

In business dealing with them I have found Siddique Sons fully equipped to handle intricacies of modern construction solutions.

We wish them best of luck for all future endeavors.
